

Write your book...we'll handle the tech.

Benefits for our Author Clients

At Unscramblet Author Solutions we pride ourselves on helping authors achieve their career goals. Whether it's your first sale or your hundredth, our services will free your time, and your mind, so you can continue to write and publish. As an Unscramblet author you'll receive...

- ✓ US-based technical support with over 10 years' experience in corporate IT and over 20 years working on websites and online applications.
- ✓ Access to our Publishing Services & Promotional Directory comprised of bloggers who want to host YOU and professionals to help you out. This directory includes access to contact information for over 100 RWA chapters, other writing groups, and publishers.
- ✓ Email and phone access to a real live person! No press 2 for anything!
- ✓ Reasonable rates and prompt service. We don't want to break your budget or your schedule.
- ✓ Peace of mind from allowing us to help with your website updates, newsletter, reviewer and blogger outreach, transcription, online store or whatever you need.
- ✓ Someone with over 6 years' experience with Mailchimp and over 10 years' experience in WordPress.
